

EXCLUSIVE

EXTENSIVE Collection of
BRASS FAUCETS

Faucet Technology

► The heart of every faucet, the cartridge is responsible for controlling water supply

- NDB® cartridges are tested to give a longer and trouble free operating life
- Wide angle of lever provides ultra comfort and flawless smooth operation
- Our cartridge spindle is made of brass instead of plastic, to avoid breakage

► Devices that mix air with water to give a soft and splash-free flow

- Our integrated Improved lime protection aerator, provides lime buildup protections
- Integrated anti-clogging dome screen of the aerator filters sediments and dust particles

► Chrome Finish

Upper shiny protection layer provides a mirror finish to every faucet

- High plating thickness (Nickel: 10 micron and Chrome : 0.3 micron) provides tolerance to extreme climate and water condition

NDB[®]
Exclusive —
BATH FITTING

Innovative And High Quality Faucets Design

The heart of the bathroom & Kitchen can be found where fresh water flows, which is why NDB is always working to make your experience of water more enjoyable. Our products combine clever technology with ergonomic perfection, NDB makes it easy to combine the taps that most suit your needs with a sink of your choice, for the ultimate in easy workflow. Our ultramodern sinks are designed to serve as the centre of your passions, while the specially selected materials and solid workmanship promise long-lasting enjoyment.
